Dear All,

I hope you enjoyed the **2022 National Radio Science Meeting** held in Boulder, CO in early January. It is my understanding that many of you have not processed yet your eTER to obtain a reimbursement. You have until next **Friday, February 11<sup>th</sup>** as the deadline to process your eTER or reimbursement. If you don't respond to James Manning emails and never provided him with your address and phone, you will not receive anything. I am ccing James Manning in case you need to communicate with him.

Thanks, and wishing you a productive week!

ana

Hi James,

I'm following up on my earlier email, hoping for an update on my travel reimbursement. I sent my full mailing address and phone number in my response to your email asking for the same. Please let me know if there's anything else I need to do to complete this process.

Thank you.

Hi James,

Yes, I received your instructions to complete my expense report via Concur.

Accordingly, I've completed this expense report: please let me know if you have any questions/concerns, or if there's anything else I need to do.

Thank you.

Hi Bharath,

In your TER, you noted that the airfare was "Paid using ASU Airfare Card." Did your university pay for this trip?

Thanks,

James

Hi James,

ASU paid for the airfare only. According to ASU policy, it's mandatory for student staff traveling to conferences to book their airfare on ASU Concur (Anthony Travel).

The rest of the trip (hotel, taxi, meals, etc.) were paid out-of-pocket by me.

Hi Bharath,

Thank you for letting me know. Since the university has paid for your flight, we will not be reimbursing this expense. If you have other receipts, for which you paid out-of-pocket, please feel free to add them. Just let me know once these have been added.

James

Hi James,

Okay, that's fine. I'll let my PhD adviser and the business office know about this. You can reimburse me only for those expenses that were paid out-of-pocket by me.

I don't think I have any other additional expenses other than the ones that I've already added to Concur (hotel, taxi and bus fares).

Thank you.
